

## Adult League Signup Process

A couple of general rules that will be true in all leagues:

- Share members get in before Associate members in all leagues
- Signup Order matters
- Everyone should have a club rating
- All Qualified skill level players are equal / no further club rating sorts
- Juniors (Members under the age of 18) are not allowed to sign-up.

BETC has 4 kinds of leagues

1. All Level (gender specific) Leagues – any member can sign up for these leagues.
2. Skill Specific Leagues – leagues that specify a club rating, allow members +/- .5 the rating are allowed to register. ALL players meeting the specified level are considered “EQUAL”. Qualified higher rated players do not get into a league before qualified lower rated players.
  - a. Single level leagues - eligible players are **at** the specified rating
  - b. Hyphenated (-) leagues (e.g.: 2.5 - 3.0 or 8.0 - 9.0) – eligible players are **at or between** the specified rating
  - c. Plus (+) leagues (e.g.: 3.5+ or 4.5+) – eligible players are **at or above** the specified rating
3. Mixed Leagues (no partner required) – we have 2 mixed leagues that do **not** require you to sign up with a partner. You will be matched with a different partner each week. We try and have an equal number of female and male players participate.
4. Permanent Partner Leagues – These leagues are **Skill Specific Leagues** but require you to sign up with a partner. As the name indicates you will play with the same partner the entire session. Partners cannot be more than 1-Point difference in club rating.

Each type of league has its own selection process / all leagues are subject to space availability:
