

BETC Members,

Following mandates from Washington State and King County and in coordination with our Board of Directors, BETC is closed until March 31, 2020. More communication will follow.

- We will not be billing for spring quarter dues, leagues and blocks at this time.
- Prepaid classes, BETC leagues, Blocks, Head Demo Night and High Performance Clinics for remaining dates in March will be refunded. Prepaid classes for April will also be refunded. Please be patient through this process.
- If you need access to BETC Locker Rooms, please reply to me directly.

Thank you for your patience and please visit betconline.net for additional information and updates.

Stay well,

Adrian Buchan
