# Registering for Classes at BETC

## First time registering for classes?

Access your online account to make sure profiles are up-to-date with contact information and birthdates.  Birthdates are required to register for classes.

Email on Primary Account Holder's profile must be different than email(s) on family member profile(s).

*NOTE:  Only Primary Account Holder can update profiles of themselves and others on the account.*

## Two ways to access your account

1)  Through your Account Portal at Betconline.clubautomation.com. When using your Account Portal for the first time, select "Access My Account" button under "First time here?"
2)  New BETC Mobile app available through your phone's app store

## What if the class you want isn't showing up?

Classes will only be accessible to you if your birthdate is on file and if you've already been given a level rating by one of our pros.

## Questions?

Send email to barb@betconline.net or call the Front Desk at (253) 872-5545.

## Important Registration Dates

**15th of Month - Member Priority Registration** starts at 8 AM and runs through midnight the 19th.  Members currently enrolled in a month-long class to have Priority Registration to that same class next month.

**20th of the Month - Member Open Registration -** Starts at 8 AM.

**25th of the Month - Guest Registration -** Starts at 8 AM.

## I'm a Guest and would like to become a member so I can have Priority Registration?

As long as you start a full membership before the 19th, there's still time for you to take advantage of Priority Registration.  Just email Lawson Mansfield at lawson@betconline.net to let him know which membership you want to begin before the 19th and whether or not you want to pay the one-time Joining Fee up front or over time. We'll change you over so you can take advantage of Member Priority Registration.

**For full membership information and rates, visit our Membership Page at Betconline.net.**
