

Registering for Classes at BETC

First time registering for classes?

If you've never played or taken lessons at BETC, you'll need to set up your account through the Front Desk. Just give us a call at (253) 872-5545. Once we've gotten you all set up and assigned you a Username and Password, you'll be able to access your account online.

Once online...

- Please do not change your Username to your email address as it will cause problems with your class registration or court reservations.
- Only Primary Account Holder can update profiles of themselves and others on the account.
- Please do not change the Primary Account holder to another family member.

Two ways to access your account

- 1) Desktop or Laptop Computer – Go to Betconline.clubautomation.com and enter your Username and Password as assigned by the Front Desk.
- 2) Phone – Download “BETC MOBILE” from your phone’s app store. Username and Password are the same for your desktop portal and the app.

What if the class you want isn't showing up in your search?

Classes will only be accessible if student’s birthdate is on file and they have been assigned a level rating by one of our pros. To get a level rating, please contact the Front Desk to set up a private lesson or arrange a one-day drop-in to a class. Drop-ins available day of class if space is available.

Questions?

Send email to Barb@betconline.net or call the Front Desk at (253) 872-5545.

Important Registration Dates

15th of Month - Member Priority Registration starts at 8 AM and runs through midnight the 19th. Members currently enrolled in a month-long class can have Priority Registration to that same class next month.

20th of the Month - Member Open Registration - Starts at 8 AM.

25th of the Month - Guest Registration - Starts at 8 AM.

I'm a Guest and would like to become a member so I can have Priority Registration?

Start a full membership before the 19th and take advantage of Priority Registration. To apply, go to “Become a Member” under our Membership and Amenities page at Betconline.net.
