At the November BETC Board of Directors meeting, the Board approved slightly higher rates for court fees and lessons in 2024. This decision was made following a comparative review of pricing at other area tennis clubs and increased costs associated with the purchase of the land to preserve BETC's future for many years to come. We will continue to evaluate our pricing into and through 2024 as we understand better our costs for separating further from Boeing's support.

Court rental will increase from \$18 for 1.5 hours to \$20 and private lessons and junior and adult classes will be increasing by 6%. These increases will allow BETC to focus on capital improvements and we will be evaluating what higher impacts would be required for expansion of the facility. We continue our commitment to making The Boeing Employees Tennis Club the best indoor racquet sports value in the area.

For the Board, Ed Baker, President
