## New to Our Classes and Want to Sign Up?

**You'll Need a Club Rating!**

Call or email the front desk to create a guest account or apply online to start a membership. Besides an account (as a guest or member), every player needs a rating in order to register for a class. To get a club rating, you can either take a private lesson with a pro to get fully assessed/evaluated, or you can do a "Drop-In" to a class and get assessed/evaluated during the class. Brand-new to tennis? No assessment needed. Just give us a call and let us know.

Drop-Ins are allowed only if there is room available in the class.

Once you are given a rating, then you will be able to sign up for classes!
