HIGH PERFORMANCE

Our world class competitive player development program is modeled after the national standards set by USTA. Participants are required to be dedicated to year-round competitive tennis, including participating in tournaments on a regular basis. Students are typically ranked in their age division in the Pacific Northwest and/or participating in high school tennis at the very highest levels.

New HP ratings equate with the levels shown below; however, students must receive pro approval for new HP 1, HP 2, and HP 3 rating assignments. Final rosters subject to pro approval.
