

10 & UNDER FALL SCHEDULE 2026

WHAT IS USTA 10 & UNDER PROGRAM?

USTA 10 & Under Tennis is a revolutionary approach to teaching the sport, designed to help kids ages 5-10 learn and enjoy tennis right from the start. Using age-appropriate equipment, court sizes, and slower balls, the program makes it easier for young players to rally, develop skills, and build confidence in a fun and engaging environment.

The program is divided into three progressive stages:

10 & Under 1
(Previously Red Ball 1)
Played on a smaller court with larger, slower red balls. Focuses on coordination, proper grip, rip, stroke basics, and learning to rally in a playful setting.

10 & Under 2
(Previously Red Ball 2 Orange Ball 1)
Played on a slightly larger court with slightly faster orange balls. Players continue stroke development, begin rallying with control, and improve footwork and positioning.

10 & Under 3
(Previously Orange Ball 2 and Green Dot Ball)
Played on a full-size court with green dot balls that are reduced speed than regular tennis balls. Emphasizes consistency, strategy, and preparation for match play with standard scoring.

This structured pathway ensures kids learn the game in a way that’s fun, age-appropriate, and sets them up for future success in the sport. Your tennis pro will assess your child’s progress and let you know when they are ready to move up to the next level.

****Drop In’s** are allowed the **same day of the class**, only if there is space available. Guests add \$18 to drop in fee. Ages 10 & Under add \$10

Late Cancellation Fees: Full refunds provided for registrations cancelled at least one day prior to the start of new month-long session. Students who cancel a monthly class after session has started will be refunded in full and then charged drop in rates for concluded class days. Students who cancel the first day of class (prior to start of class) will be refunded in full and charged 50% drop in rate for the first day of class.
